Acknowledgement of TMF Fundraising

The Morlock Foundation is a non-profit organization that is dedicated to providing services to help people with disease and disability to lead productive, independent, and fulfilling lives. Our goal is to reduce some of the overwhelming feelings and stresses that come with having a disease or disability. The Morlock Foundation, Inc. does not guarantee any specific outcome. However, we will work hard to meet the needs of our clients and their families.

The Morlock Foundation, Inc. may also have fundraising event(s) to benefit a family. However, the Morlock Foundation cannot guarantee the amount of proceeds that will be provided directly to the client. The money raised may be spent in a variety of ways to achieve our goal. For example, the money may be provided to a health care provider for services or put into a fund account the client has already setup. The client is then responsible to report all activities as set for the Internal Revenue Service for that money. If the fundraising income is used to provide meals, travel, or other assistance, it may be submitted to the client by check. The client understands that fundraising takes a lot of time and effort and 90% of the proceed will go towards the clients care and the other 10% will go to The Morlock Foundation, Inc. for any time, supplies and other fees incurred for the fundraiser.
